Vision Statement

"The Los Angeles Regional Adult Education Consortium will sustain, expand and improve adult education. It will create seamless programs and pathways to workforce and higher education that are regionally relevant, efficient, comprehensive, and that leverage community resources through a structured and collaborative interagency approach. Programs will be student centered, data driven and focused on best practices. Students will gain 21st century skills; meet their employment, academic and civic goals; and contribute to the economic vitality of the Los Angeles region."
